<p>CPR AND First Aid Our most popular course for child care provider. We use recognized training program which promotes learning through a relaxed training environment and hands-on skills practice. This course is approved through the California State Department of EMSA (Emergency medical Services Agency), which governs and monitors child care licensing. CPRescue provides trainers approved by the State of California. <i>* Check must be received to register</i></p>	CPRescue	Saturday JANUARY 23, and MARCH 13, 2010 9:00 -5:00 pm	\$65
<p>BIG Fun math Activities Find out how popping popcorn helps children learn math skills. Learn how to make pretend "moon dust" so children can practice measuring and comparing sizes. Learn how gross motor games give children a real feel for numbers. The workshop will teach you arms-on, legs-on, whole body learning that you can use to engage children right away. <i>* Check must be received to register</i></p>	Marie Faust Evitt Mountain View parent Nursery School	Wednesday FEBRUARY 10, 2010 6:15 -8:15 pm	\$15 member \$20 Non- member
<p>Kidpower Training for Professionals Training for Professionals workshops prepare teachers, counselors, social workers, law enforcement officials, health care workers, martial artist, youth group leaders and other professionals to integrate the KIDPOWER, TEENPOWER, and/or FULLPOWER Everyday Safety Skills with their own programs and activities. Training can include illustrated curriculum with lesson plans and follow up support from KIDPOWER's instructors. <i>* Check must be received to register</i></p>	Kidpower	Wednesday MARCH 10, 2010 6:15 - 8:15 pm	\$10 member \$15 Non- member
